

"Dealing and Wheeling in Small Arms", by Sander Francken

Screened on 12 February 2009

Runtime: 53'

A dangerous trade, kept from the public eye. "Dealing and wheeling in small arms" shows the causes and consequences of the small arms trade. The film demonstrates how small arms rule and ruin the lives of a growing number of people in developing countries.

The film was followed by a Q&A with film maker Sander Francken.
