

Against All Odds (UNHCR)

[Play the game](#)

Age: 12 to 15

Developed by [UNHCR](#) and designed to teach players about the plight of refugees, the game

Players take on the role of a refugee, and play through twelve stages - depicting his persecution and flight

The game is aimed at 12 - 15 year olds, an age where people begin to develop ideas regarding refugees

Produced by the United Nations agency ([UNHCR](#))
