

World Health Organization: Photo Competition

Deadline is **15 October**

[Visit the website](#)

Are you between 14 and 19 years old? We have created a photo competition and want to see health and

The themes on which they're looking for photos are:

- Adolescents are healthy (engaging in healthy activities)
- Adolescents learn about health (health education)
- Adolescents use health services when needed
- It can be difficult to stay healthy (images about the environment and risk-behaviours)
- Adolescents are active in promoting health (advocating for health, participation)
