#### FAO Aquaculture Newsletter (FAN)

<http://www.fao.org/fishery/publications/fan/en>

Issued twice a year by the Inland Water Resources and Aquaculture Service, Fishery Resources Division, of FAO Fisheries Department, Rome, Italy. It presents articles and views from the FAO aquaculture programme and discusses various aspects of aquaculture as seen from the perspective of both headquarters and the field programme. Articles are contributed by FAO staff from within and outside the fisheries Department, from FAO regional offices and field projects, by FAO consultants and, occasionally, by invitation from other sources.

#### Water and Environment News

[http://www-pub.iaea.org/books/IAEABooks/View\\_Newsletters/89/Water-and-Environment-News](http://www-pub.iaea.org/books/IAEABooks/View_Newsletters/89/Water-and-Environment-News)

Prepared twice per year by the Isotope Hydrology Section, Division of Physical and Chemical Sciences, Department of Nuclear Sciences and Applications, International Atomic Energy Agency (IAEA).
