

Women & Gender Issues

UN WOMEN - Network Newsletter

<http://www.unwomen.org/en/how-we-work/un-system-coordination/women-in-the-united-nations/other-resources>

A quarterly newsletter serves as a forum for the dissemination and exchange of information on the status of women. It provides regular updates on gender statistics, recent resolutions, administrative instructions, and other policies and issues concerning gender. In addition, the newsletter includes articles on subjects such as career management, networking, women in peacekeeping, and monitoring.
